

109TH CONGRESS
1ST SESSION

H. R. 4320

To restore the financial solvency of the national flood insurance program,
and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

NOVEMBER 15, 2005

Mr. OXLEY (for himself and Mr. FRANK of Massachusetts) introduced the
following bill; which was referred to the Committee on Financial Services

A BILL

To restore the financial solvency of the national flood
insurance program, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “National Flood Insur-
5 ance Program Commitment to Policyholders and Reform
6 Act of 2005”.

7 **SEC. 2. FINDINGS AND PURPOSES.**

8 (a) FINDINGS.—The Congress finds that—

9 (1) the amount of the flood insurance claims re-
10 sulting from Hurricane Katrina and Hurricane Rita

1 will likely exceed the aggregate amount of all claims
2 previously paid in the history of the national flood
3 insurance program, and will require an increase in
4 the program's borrowing authority;

5 (2) flood insurance policyholders have a legiti-
6 mate expectation that they will receive fair and time-
7 ly compensation for losses covered under their poli-
8 cies;

9 (3) substantial flooding has occurred, and will
10 likely occur again, outside of the areas designated as
11 the 100-year floodplain;

12 (4) to adequately and correctly assess potential
13 flood damage and losses in all areas on the United
14 States, the national flood insurance program will
15 need to update its flood maps with the latest tech-
16 nology;

17 (5) the maximum coverage limits for flood in-
18 surance policies should be increased to reflect infla-
19 tion and the increased cost of housing;

20 (6) significant reforms to the national flood in-
21 surance program required in the Bunning-Bereuter-
22 Blumenauer Flood Insurance Reform Act of 2004
23 have yet to be implemented; and

24 (7) despite reforms required in the Bunning-
25 Bereuter-Blumenauer Flood Insurance Reform Act

1 of 2004, the national flood insurance program re-
2 quires a modernized and updated administrative
3 model to ensure that the people of the United States
4 have continued access to flood insurance.

5 (b) PURPOSES.—The purposes of this Act are—

6 (1) to protect the integrity of the national flood
7 insurance program by fully funding existing legal ob-
8 ligations expected by existing policyholders who have
9 paid policy premiums in return for flood insurance
10 coverage;

11 (2) to increase incentives for homeowners and
12 communities to participate in the national flood in-
13 surance program and to improve oversight to ensure
14 full participation in the program for owners of prop-
15 erties for which such participation is mandatory;

16 (3) to increase awareness of homeowners of
17 flood risks and improve the quality of information
18 regarding such risks provided to homeowners; and

19 (4) to better mitigate future flood damage risks
20 through a combination of enhanced protective meas-
21 ures, property elevation, and buyouts of flood-prone
22 properties.

2 **YEAR FLOOD PLAIN.**
